Re: South Carolina Electric & Gas's Combined Application for Certificate of Environmental Compatibility,  
Public Convenience and Necessity and for a Base Load Review Order  
**Docket No. 2008-196-E**

Dear Mr. Terreni:

On August 21, 2008, the South Carolina Office of Regulatory Staff ("ORS") received from Mr. Joseph Wojcicki<sup>1</sup> a "Petition and/or Request for: 1) the additional information (RAI) in the discovery/interrogatory stage, and 2) the site visit." Mr. Wojcicki states he submits his requests and petition to the Public Service Commission, SCE&G and ORS. This letter is to serve notice that unless instructed otherwise, ORS interprets the requests as being directed to SCE&G -- not ORS or the Public Service Commission -- for response.

Sincerely,

Shannon Bowyer Hudson
